Circus Center	17-5400-7114
San Francisco, CA 94117-2755	

To support the Clown Conservatory program. The project will be a multidisciplinary professional training program in physical comedy, clowning, and vaudeville. The 24-week program, taught by master clowns, circus artists, and circus historians, will train professional and professional-track performing artists in narrative clowning, character creation, circus arts, and performance. The training will help prepare artists to meet the demands of today's international circus, film, and theater job market. The conservatory will culminate with an agent showcase, as well as the development and performance of a full-length, fully-scored circus show that will be recorded so that participants obtain audition materials.
